

GOLD LEVEL NCRC

A Gold Level CRC scores at least a level three in the three foundational assessments and is qualified for 90% of the occupations profiled by ACT. The following indicates the skill understanding in the three foundational assessments.

Applied Mathematics

- Decide what information, calculations or unit conversions to use to solve the problem
- Look up a formula and perform single-step conversions within or between systems of measurement
- Calculate using mixed units (e.g., 3.5 hours and 4 hours and 30 minutes)
- Divide negative numbers
- Find the best deal using one- and two-step calculations and then comparing results
- Calculate perimeters and areas of basic shapes (rectangles and circles)
- Calculate percentage discounts or markups

Locating Information

- Sort through distracting information
- Summarize information from one or more detailed graphics
- Identify trends shown in one or more detailed or complicated graphics
- Compare information and trends from one or more complicated graphics

Reading for Information

- Figure out the correct meaning of a word based on how the word is used
- Identify the correct meaning of any acronym that is defined in the document
- Identify the paraphrased definition of a technical term or jargon that is defined in the document
- Apply straightforward instructions to a new situation that is similar to the one described in the material
- Apply complex instructions that include conditionals to situations described in the materials
