

SILVER LEVEL NCRC

A Silver Level NCRC scores at least a level three in the three foundational assessments and is qualified for 65% of the occupations profiled by ACT. The following indicates the skill understanding in the three foundational assessments.

Applied Mathematics

- Solve problems that require one or two operations
- Multiply negative numbers
- Calculate averages, simple ratios, simple proportions or rates using whole number and decimals
- Add commonly known fractions, decimals, or percentages
- Add three fractions that share a common denominator
- Multiply a mixed number by a whole number or decimal
- Put the information in the right order before performing calculations

Locating Information

- Find several pieces of information in one or two graphics
- Understand how graphics are related to each other
- Summarize information from one or two straightforward graphics
- Identify trends shown in one or two straightforward graphics
- Compare information and trends shown in one or two straightforward graphics

Reading for Information

- Identify important details that may not be clearly stated
- Use the reading material to figure out the meaning of words that are not defined
- Apply instructions with several steps to a situation that is the same as the situation in the reading materials
- Choose what to do when changing conditions call for a different action (follow directions that include “if-then” statements)
